Master at Big 5 Show Dubai, from 21rd to 24th November.

With nearly **3,000** exhibiting companies from over 60 countries and **80,000** visitors in four days, "The Big 5 Show Dubai" is one of the most important trade show dedicated to the construction industry in the Arabian Peninsula and the Middle East.

Master with its own technical staff supported by local partners will take part at the event, held at the World Trade Center in Dubai, from November 21 to 24.

"In our stand, we will have an important space to new solutions presented in preview as: **AS300**, the lift & slide system with capacity from 300 kg to 400 kg; **SP160**, tilt & slide mechanism with the performance of a casement system, and the new line of accessories and solutions dedicated to the doors", said **Albert Ryzhkov**, export manager of Master.

"The aim is to attract the interest of qualified operators as **designers, architects and very active international contractors** in the Gulf Area for the number and quality of projects. After 5 years of continuous presence in this fair, **Master** has become a reference point for stakeholders and distributors throughout the area of the Persian Gulf. In this edition of the exhibition we believe to bring new value-added solutions that could strengthen our brand"
